Individual Contribution Summary

Devising a Project (#DP)

Product Manager:
- Study on how to be a Product Manager.
- Product vision and direction.
- Organization of the team into departments and selection of department representatives.
- Meetings with representatives on Friday as a kick starter and Monday as follow-up on tasks.
- Constant availability with each representative for any type of consultation.
- Evaluation of performance and task results.

Toro Romero, Raúl: all the above.

Android Department:
- Study and selection of technologies for the Android client.
- Contact and recruitment of pilot clients.
- Functional mockups (web-app & Android).

De Prado Barragán, Carlos Martin: coordinated and contributed to all the Android department's tasks.

Jiménez Soriano, Lidia: contributed to all the Android department's tasks.

Menéndez Márquez, Óscar: contributed to all the Android department's tasks.

Ruiz Gutiérrez, Álvaro: contributed to all the Android department's tasks.

QA/Testing Department:
- Revision of Week 2's presentation against all of Week 2's documents.
- Risk report.
- Corrected the Costs report from week 2 and added detail.

Solis Alfonso, Julio: coordinated and contributed to all the QA/Testing department's tasks.

Zambrano Zapata, Mario: contributed to all the QA/Testing department's tasks.

Full Stack Department:

- Creation of a document detailing the app's functionalities by priority, difficulty and hours estimated to develop.
- Roadmap draft.
- Branch management proposal.
- Assignment of development tasks.

Vargas Muñiz, Alejandro: coordinated and contributed to all the Full Stack department's tasks.

Iborra Conejo, José Miguel: contributed to all the Android department's tasks.

Pérez Fernández, Ibai: contributed to all the Android department's tasks.

Sabido González, Franciso Manuel: contributed to all the Android department's tasks.

Vicente Valderrama, David: contributed to all the Android department's tasks.

Public Relations Department:

- New logo redesign.
- Brand image proposal.
- "How to deal with friction among colleagues" guide document.
- Landing page.
- Creation of IG and TikTok accounts for marketing (both empty as for this Sprint 0).
- Creation of the DP's presentation and choosing of the spokesperson.

Salas Muñoz, Jesús: coordinated and contributed to all the Public Relations department's tasks.

Portillo Sanchez, Alonso: coordinated and contributed to all the Public Relations department's tasks.

Molins, Alexis: was away for both weeks 2 and 3 and could not contribute.

AI Department:

- Study AI notes from last year's curricular subject.
- Learn about the 'Random Forest' AI training.
- Find as many Kaggle datasets related to pub and restaurants' sales as possible.
- Working alongside the Full Stack Department to aid in their tasks.

Rufián Jiménez, Pablo: contributed to all the AI department's tasks but did not help the Full Stack team.

Molina García, Rafael: contributed to all the AI department's tasks but did not help the Full Stack team.
